

What is the issue in "In Re: Harold A OConnell" ? It ignores the 1992 Trust Deed. It ignores the 1992 Trust Deed which supersedes the 1974 Will of Harold A O'Connell probated in 1975.

Ignoring the Trust Deed rendered me powerless. It blocked me from selling the Trust property and forced me to pay the real estate taxes until I ran out of money. Then I was removed as Trustee using the justification that I did not sell the Trust property or pay the real estate taxes after I ran out of money. I believe this is the most sophisticated and unbelievably coordinated setups I have ever been targeted with. Please ask Chief Judge Smith what the 1992 Trust Deed means to him.

This 1992 deed supersedes the 1974 Will of Harold A. OConnell probated in 1975.

In an effort to resolve your case quickly and fairly, the court has placed a Scheduling Conference for this case on the docket. At the conference, we will establish a trial date and discovery schedule, and deal with other pre-trial matters. We will also discuss whether a settlement conference is appropriate. *DO NOT SET THIS CASE FOR TERM DAY.*

You are to appear for the Scheduling Conference at **08:30 AM on Tuesday, December 04, 2012**, at the Judicial Center, 4110 Chain Bridge Road in Fairfax. The docket with courtroom assignments will be posted electronically on the monitors located on the 4th and 5th floor of the Judicial Center the morning of the scheduling conference.

Please make **SURE** that all of the following things have been taken care of **BEFORE** the Scheduling Conference:

1. Resolve all demurrers, pleas in bars, motions to quash process and other special pleas. Set them down for argument on a Friday Motions Day.
2. Check service of process on each defendant. If a defendant has not been served, either obtain service or be prepared to explain why service has not been effected.
3. If any defendant is in default, obtain a default judgment against him, if possible, or at least a judicial declaration that he/she is in default.
4. Corporations must be represented by counsel.

If there is a problem with the assigned date, please contact the Case Management staff at (703) 246-2880, AT LEAST TEN DAYS before the scheduled conference.

The Honorable Bruce D. White
The Honorable Robert J. Smith
The Honorable David S. Schel
The Honorable Jan L. Brodie
The Honorable Lorraine Nordlund
The Honorable Brett A. Kassabian
The Honorable Michael F. Devine

Please tell me if the enclosed Court notice is from the Judges or if it is from some alternative element speaking for the Court? I ask this because:

- (1) The notice is confusing and lacks accountability; there is no name, no signature, no point of contact, only a telephone number and "The Judges of the Fairfax Circuit Court" in the signature line.
- (2) The notice says "Case No. CL-2012-0013064", which matches the number on the summons and the injunction. The accusations in the summons and in the injunction are so blatantly false, and no evidence is provided to justify them, it's as if the law, the evidence, and accountability is not expected to be relevant.
- (3) The notice says "In Re: Harold A. O'Connell" but doesn't say what the issue is. Harold A. O'Connell is our Dad who died in 1975. What is the issue in "In re: Harold A OConnell" ?

It would not be prudent for me to appear in Court unless the issues are defined and the evidence for the issues can be obtained beforehand. The present structure makes me dead on arrival; this is not due process. What is the issue in "In re: Harold A OConnell" ?

The best of my two bad options is to not appear in Court, even though my not appearing could be made to appear as if I, rather than the accountants, were trying to hide something, and the terms of their summons and injunction might be approved by default.

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

Would you please put everything on hold until all of the plaintiff's issues can be identified and their evidence for their issues can be obtained? The known evidence I need before appearing in Court includes exposing the accounting trails in our Mother's estate at Bk467p191.

Background

This is extremely complicated and impossible to present in an understandable manner except by through websites.

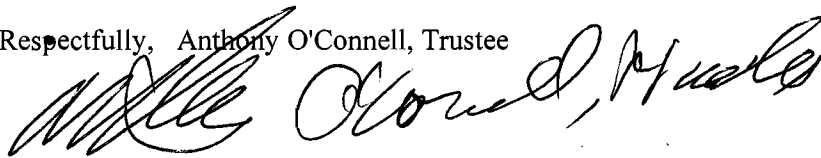

The CPA Joanne Barnes and the Attorney Edward White make money disappear and cover them selves by using an innocent family member as an unwitting agent to carry out their agenda. The evidence is in exposing the accounting trails at Book467page191 in the public record. I've tried to expose Bk467p191 for twenty years and the reaction has cost me my reputation, my family, and my solvency.

Exposing Bk467p191 would be the turning point, its the law, its common sense, and the public trusts that its done. Please use your power or call in federal powers that would do it. Please ask them to (1) protect our family, (2) find out where the money went and (3) untangle the accounting entanglements holding up the sale of our remaining family real estate that we call Accotink. Accotink is in a Virginia Land Trust and I am the Trustee.

Our family needs federal protection. The first thing our family needs is to have a federal agent personally visit our innocent sister Jean Nader at 350 Fourth Avenue, New Kensington, PA 15068, and convince her that she is being used by the accountants.

The terms of the summons and the injunction are for the benefit of the accountants and not for our family; it gives them unlimited control and cover of our family's assets and makes our family appear at fault. History suggests that the reason the accountants want to replace me with innocent Jean Nader as Trustee for Accotink is because they can use her as Trustee as they used her as co-executor in our mother's estate, to make money disappear.

Respectfully, Anthony O'Connell, Trustee

RE: *In Re: Harold A O'Connell*, CL-2012-13064

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

Dear Mr. O'Connell:

I have received your letter regarding the Notice of Scheduling Conference you received in case CL 2012 -0013064. This is indeed a valid notice from our court provided so that you would be aware of a Scheduling Conference at which we will, if appropriate, set a trial date and enter a scheduling order in accordance with the Uniform Pretrial Scheduling Order adopted by the Supreme Court of Virginia. No evidence will be taken at that time as this is only a hearing to establish the schedule for the orderly processing of the case.

As for accountability for the notice, it clearly indicates that it is sent by the judges of the circuit court and provides you with a phone number at which you can contact our case management staff with regard to the Scheduling Conference. We would not send out a notice indicating that you can contact the judges directly as such contact is inappropriate.

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

Your letter also indicates that you do not know what issues are raised in the case but our records indicate that you have responded to the Complaint which sets out the Plaintiff's allegations and prayer for relief so I therefore assume that you are acquainted with the issues which have been raised. As to whether the Plaintiff's allegations are true or merit relief, these issues will not be dealt with at the December 4, 2012 Scheduling Conference but are instead decided in the course of later proceedings or after a trial at which each side has had an opportunity to present evidence in the form of documents or testimony and make arguments as to the proper disposition of the issues.

You also request that our court take certain actions, but please note that Judges take actions based upon pleadings which are properly filed, and even then, only after each interested party has had an opportunity to respond and be heard on the request. Sending a letter to a judge is not filing a pleading in a case as pleadings are properly filed with the Clerk of Court. Additionally, copies of anything sent to the Court for filing must be provided to all other interested parties. As your letter does not indicate copies were sent to the other parties I will provide them with a copy of your letter and this response.

Finally, with regard to your participation in the Scheduling Conference at 8:30 a.m. on December 4, 2012, this is a civil case and it is your choice as to whether you participate in this administrative hearing or any further hearings. If you do not appear, the Court will proceed to establish scheduling without your input. We will, however, send you a copy of any Order that is entered at that hearing.

Sincerely Yours,

Trustee Not Individually Liable at bk8845p1453

Re: Harold A. O'Connell(?), CL-2012-13064; Lien, Summons, Injunction, Notice, Order

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

The Honorable Chief Judge Dennis J. Smith:

The only way to expose accounting fraud is to expose the accounting trails. Is there any way to expose the accounting trails of the CPA Joanne Barnes and the Attorney Edward White for our Mother's Estate at bk467p191 without the accountants using innocent members of the Court and our family to obstruct it?

The Summons requests that the Court replace me as Trustee. The Trust was created on October 16, 1992, and automatically terminates after twenty years, on October 16, 2012. Why request the Court to replace me as Trustee at the end of the Trust's life?

The terms of the summons and the injunction are for the benefit of the accountants and not for our family; it gives them unlimited control and cover of our family's assets and makes our family appear at fault. History suggest that the accountants want to replace me as Trustee for Accotink with innocent Jean Nader is because they can use her as they used her as co-executor for our mother's estate at bk467p191,

The Summons is against the law of contracts. The Trust Agreement at bk8845p1453 is a contract and the law of contracts applies:

- (a) A contract cannot be changed unless all the parties to the contract agree to the change and then it is a new contract.
- (b) No one that is not a party to a contract can change a contract, not even a Court.
- (c) All of a contract applies or none of a contract applies. A contract can't be cherry picked.
- (d) The clause "Trustee Not Individually Liable" in the contract means what it says.

Why did the Court initiate the Lien, and accept the Summons, Injunction, Notice and Order, when they are all against the "Trustee Not Individually Liable" clause: when they are all against the law of contracts?

- (1) 2012.05.11 and 2012.07.26 Lien: To Anthony O'Connell as Trustee but sent to Highland County where there is no trust property, only the Trustee's **Individual's** property.
- (2) 2012.09.04 Summons: To Anthony O'Connell as **Individual** and as Trustee.
- (3) 2012.09.28 Injunction: To Anthony O'Connell as **Individual** and as Trustee.
- (4) 2012.10.22 Notice to appear in Court: To Anthony O'Connell as **Individual**.
- (5) 2012.12.05 Order to appear in Court, Motion for Default Judgement: To Anthony O'Connell as **Individual** on cover letter for Order and **blank** on Order itself.

Our family is innocent and needs protection. We need a just power to personally visit our innocent sister Jean Nader at 350 Fourth Avenue, New Kensington, PA 15068, and protect her and tell her, until she understands, and feels safe and is safe, that she is being used by the accountants.

Sincerely,

(1) Court Ruling?

Order

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

The Honorable Chief Judge Dennis J. Smith:

The only way to expose accounting fraud and find out where the money went is to expose the accounting trails. Is there any way to expose the accounting trails of the CPA Joanne Barnes and the Attorney Edward White for our Mother's Estate at bk467p191 without the accountants using innocent members of the Court and our family to obstruct it?

The terms of the summons and the injunction are for the benefit of the accountants and not for our family; it gives them unlimited cover and control of our family's assets and makes our family appear at fault. Please do not buy that our family is the problem.

The Summons says or implies that there is a Court Ruling about the testamentary trust's 11th Court account (This is the account where the Commissioner crossed out the "not" in the Trustee's "This is not a final account").

"15. Anthony is not willing or has determined he is unable to sell the Property due to a mistaken interpretation of events and transactions concerning the Property and, upon information and belief, the administration of his mother's estate. Anthony's position remains intractable, **despite court rulings against him**, professional advice, and independent evidence. As a result, Anthony is unable to effectively deal with third parties and the other beneficiaries of the Land Trust."

"29. On August 8, 2000, an Eleventh Account for the Harold Trust was approved by the Commissioner of Accounts for the Circuit Court of Fairfax County and determined to be a final account.

30. Anthony repeatedly and unsuccessfully challenged the Commissioner's determination and requested, inter alia, that the Court and the Commissioner of

Accounts investigate a debt of \$659.97 that he alleged was owed to the Harold Trust by Mrs. O'Connell's estate. In these proceedings, the Commissioner stated, and the court agreed, that there was no evidence to support Anthony's claims that a debt existed and, if so, that it was an asset of the Harold Trust.

31. Anthony's repeated and unsuccessful challenges to the rulings of the Commissioner of Accounts and the Circuit Court in connection with the Eleventh Account, and his persistence in pursuing his unfounded claims to the present day, demonstrate that he is unable to administer the Harold Trust effectively and reliably.”

If there was a Court Ruling about any of this would you please have copies of the documentation sent to me?

Sincerely,

A handwritten signature in cursive script that reads "Anthony O'Connell, Trustee". The signature is written in black ink and is positioned above the printed name.

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

The Honorable Chief Judge Dennis J. Smith:

Please tell me what the issue is in "Re: Harold A. O'Connell". Harold A. O'Connell is our Dad who died in 1975.

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

Does the issue have to do with the surprise clause in the 1988 deed at bk7005p634 for my sale of our home place that says:

- “Whereas by Deed of Partition recorded in Deed Book 4026 at Page 454, the property was reconveyed to Harold A. O'Connell as to an undivided one-half interest and to Jean M. O'Connell, as to an undivided one-half interest, whereas, Harold A. O'Connell died testate May 26, 1975, and by his Last Will and Testament recorded in Will Book 201 at Page 96, **devised his interest to his executor Anthony M. O'Connell, Trustee**; whereas **Anthony M. O'Connell, Trustee, could not qualify and Herbert A. Higham, Trustee, was appointed to act in his place and stead.**”

If there is anything in the Court records that would justify what this deed says, that I could not qualify as Trustee, would you please have copies sent to me?

Please tell me what the issue is in "Re: Harold A. O'Connell".

I don't understand why there was no response from the law firm or from the Court from my response to the Summons except:

“5. As of the date of the filing of this Motion [September 28, 2012], Defendant Sheila O'Connell has been served with the Complaint and the time period for her to file an answer is pending. Upon information and belief, Defendant Anthony M. O'Connell has filed a response to the Complaint, which consisted of a one-page letter directed to the Clerk of Court, and the filing of numerous documents and records containing his annotations. “

(From the injunction dated 2012.09.28)

“RE: In Re: Harold A O'Connell, CL-2012-13064

Dear Mr. O'Connell:

I have received your letter regarding the Notice of Scheduling Conference you received in case CL 2012 -0013064. This is indeed a valid notice from our court provided so that you would be aware of a Scheduling Conference at which we will, if appropriate, set a trial date and enter a scheduling order in accordance with the Uniform Pretrial Scheduling Order adopted by the Supreme Court of Virginia. No evidence will be taken at that time as this is only a hearing to establish the schedule for the orderly processing of the case.

As for accountability for the notice, it clearly indicates that it is sent by the judges of the circuit court and provides you with a phone number at which you can contact our case management staff with regard to the Scheduling Conference. We would not send out a notice indicating that you can contact the judges directly as such contact is inappropriate.

Your letter also indicates that you do not know what issues are raised in the case but our records indicate that you have responded to the Complaint which sets out the Plaintiff's allegations and prayer for relief so I therefore assume that you are acquainted with the issues which have been raised. As to whether the Plaintiff's allegations are true or merit relief, these issues will not be dealt with at the December 4, 2012 Scheduling Conference but are instead decided in the course of later proceedings or after a trial at which each side has had an opportunity to present evidence in the form of documents or testimony and make arguments as to the proper disposition of the issues. You also request that our court take certain actions, but please note that Judges take actions based upon pleadings which are properly filed, and even then, only after each interested party has had an opportunity to respond and be heard on the request. Sending a letter to a judge is not filing a pleading in a case as pleadings are properly filed with the Clerk of Court. Additionally, copies of anything sent to the Court for filing must be provided to all other interested parties. As your letter does not indicate copies were sent to the other parties I will provide them with a copy of your letter and this response.

Finally, with regard to your participation in the Scheduling Conference at 8:30 a.m. on December 4, 2012, this is a civil case and it is your choice as to whether you participate in this administrative hearing or any further hearings. If you do not appear, the Court will proceed to establish scheduling without your

input. We will, however, send you a copy of any Order that is entered at that hearing. Sincerely Yours, [Chief Judge Dennis J. Smith] “
(From Chief Judge Dennis Smith's letter to Trustee Anthony O'Connell of November 27, 2012)

Would you please have your people look at the evidence I sent in response to the Summons and then explain why I was required to appear in Court on December 4, 2012, and am required to appear in Court on January 25, 2013?

Sincerely,

Please don't allow the accountants to use innocent members of the Court and our family as cover.

I cannot appear for my scheduled Court appearance that carries a motion for default judgment, on January 25, 2013, because, among other things, I:

- (1) Have no money to travel from Arizona. I ran out of money paying the taxes on Accotink (Please see the enclosed copy of my credit card balance)
- (2) I don't know what the accountant's issue is in "Re: Harold A O'Connell".
- (3) I can't get the evidence needed for a Court appearance, such as exposing the accounting trails at bk467p191. The issue is accounting and exposing bk467p191 is the evidence. Judgments made without exposing bk467p191 are judgments made without looking at the evidence, such as those over the past twenty years.
- (4) The accountant's pattern is to use trusting family members as cover. My best guess of what the accountants would do if I could appear in Court is to use our innocent sister to repeat all the accusations against me that they have been telling her for twenty years, and the accountants would want judgments based on this rather than the accounting trails and the rule of law. This is not due process.
- (5) The accountants have established a wall of confusion and conflict that is impenetrable. It

would not be prudent for me to appear in Court unless the issues are defined and the evidence for the issues can be obtained beforehand. The present structure makes me dead on arrival; this is not due process.

Background

The CPA Joanne Barnes and the Attorney Edward White make money disappear and cover themselves by using an innocent family member as an unwitting agent to carry out their agenda. The evidence is in exposing the accounting trails at Book467page191 in the public record. I've tried to expose Bk467p191 for twenty years and the reaction has cost me my reputation, my family, and my solvency.

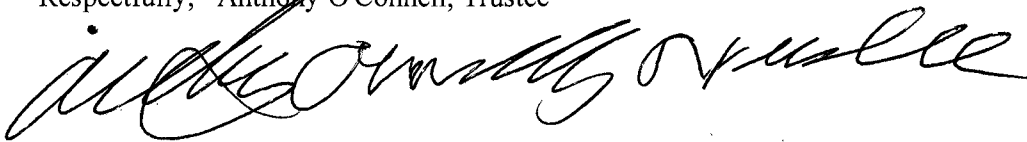

Exposing Bk467p191 would be the turning point, its the law, its common sense, and the public trusts that its done. Please use your power or call in federal powers that would do it. Please ask them to (1) protect our family, (2) find out where the money went and (3) untangle the accounting entanglements holding up the sale of our remaining family real estate that we call Accotink. Accotink is in a Virginia Land Trust and I am the Trustee.

Our family needs federal protection. The first thing our family needs is to have a federal agent to personally visit our innocent sister Jean Nader at 350 Fourth Avenue, New Kensington, PA 15068, and tell her, until she understands, and feels safe and is safe, that she is being used by the accountants.

The terms of the summons and the injunction are for the benefit of the accountants and not for our family; it gives them unlimited control and cover of our family's assets and makes our family appear at fault. History suggests that the reason the accountants want to replace me with innocent Jean Nader as Trustee for Accotink is because they can use her as Trustee as they used her as co-executor in our mother's estate, to make money disappear.

Choice. If you want to stop accounting fraud expose the accounting trails at bk467p191. If you don't want to expose accounting fraud, don't expose the accounting trails at bk467p191.

Respectfully, Anthony O'Connell, Trustee

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

Dear Honorable Judges of the Nineteenth Judicial Circuit Court;

Is there some way to expose the accounting trails at bk467p191 and not have the accountants use innocent members of the Court and our family to put me in conflict with the Court and our family? Our family is innocent and needs protection.

The Summons, Injunction, Notice and Order I was sent after I posted my web site <http://www.canweconnectthedots.com> holds me individually liable for what the accountants caused. The Trust Agreement at bk8845p1453 says "Trustee Not Individually Liable". On this point alone the documents are against the rule of law. I don't understand why these documents were admitted. What is their status now?

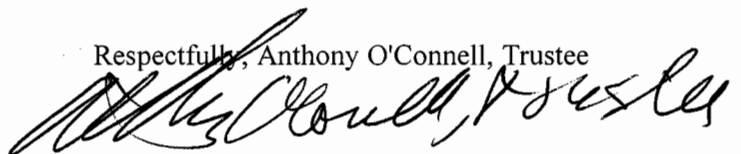

What is the issue in "In re: Harold A OConnell"? It ignores the 1992 Trust Deed.

Please tell me what the issue is in "**Re: Harold A O'Connell**". This reference is on the Summons, the Notice and the Order. Is it the result of the accountants instructions to our Mother sometime in 1985-1986 that says, and I quote from her enclosed memos that I found in her papers after her death in 1991: "**Bond fee- Lawyer fix so bond pd when sold. nominal amt now.**"; "**Clerk 691-2224 691-4193- give fiduciary no. 21840 (Procedure Come in - surety bond) (Va resident with) Patty Moat of**"? What did these instructions do? I don't understand why both of these unknowns are still not identified. Are they the same issue?

Can we get clear and accountable positions so that all concerned can rely upon them? Please use your power to expose bk467p191.

1992 Deed at bk8307p1446

Dear Mr. O'Connell:

We received your letter of January 5, 2014. I am sure the year was simply a typographical error as the letter was just received. Your request for an opinion regarding an enclosed document is not made in the context of any pending matter in the Fairfax Circuit Court. Furthermore, even if it was, sending a letter to judges does not constitute the filing of pleadings as pleadings are filed with the Clerk of Court.

A request for an opinion or ruling by a judge not properly made in a pending case requests an advisory opinion. Judges "will consider, sua sponte, whether a decision would be an advisory opinion, because we do not have the power to render a judgment that is only advisory." *Charlottesville Operators Ass'n v. Albemarle Cnty.*, 285 Va. 87, 99-100, 737 S.E.2d 1, 14 (2013); see also *Martin v. Zihel*, 269 Va. 35, 40, 607 S.E.2d 367, 369 (2005).

Accordingly, on behalf of our entire court, we decline your request for an opinion.

Respectfully yours,

Dennis J. Smith,
Chief Judge, 19th Judicial Circuit of Virginia
